**NOTICE OF EX PARTE PRESENTATION**

Dear Ms. Dortch:

On October 11, 2011, Javier Rosado - Senior Vice President - Lifeline Services, TracFone Wireless, Inc. and undersigned counsel on behalf of TracFone, had a telephonic discussion with Kimberly Scardino and Jamie Susskind, both of the Wireline Competition Bureau Telecommunications Access Policy Division. The subject of our discussion was TracFone's methods and procedures for determining that only one Lifeline-supported service is provided to any qualifying household. Specifically, we described what TracFone does in situations where multiple persons claiming the same residential address apply for Lifeline assistance. In such situations, applicants are required to provide documentation that they are not members of the same household or family unit as other enrolled Lifeline customers residing at the same address. Further, we described the resources available to verify whether specific addresses are, in fact, multifamily dwelling units.

Pursuant to Section 1.1206(b) of the Commission's rules, this letter is being filed electronically. Please direct any questions regarding this letter to the undersigned.

Sincerely,

Mitchell F. Brecher
